## Profit and Loss Story

Year of Ord... (All) Segment (All) Category (All) Customer... (Multiple values) Sub-Catego... (All)

There is no obvious evidence on state-level difference in profit between who results loss and profit

Profit Ratio -50.00% 50.00%

State	Category	Customer Name				
		Seth Vernon	Ted Trevino	Michelle Moray	Caroline Jumper	Tom Prescott

# RECOMMENDATION

---

- State-Region is not the problem based on the pattern even there're significant outliers
- Sales on Central and West Region need to be boosted
- Discount amount on Furnitures (esp. Tables & Bookcases) and also Office Supplies (esp. Binders & Appliances) need to be evaluated to maintain profit
